

Yonge Street North Transportation Master Plan Road Connections Community Consultation Meeting

Join us for a virtual community consultation meeting to provide feedback on road connections being considered as part of the Yonge Street North Transportation Master Plan. Your feedback is important to help plan the future of this changing area where the TTC Line 1 Yonge-University subway extension is planned.

Meeting Details

Date: October 29th, 2020
Time: 7:00pm – 8:30pm

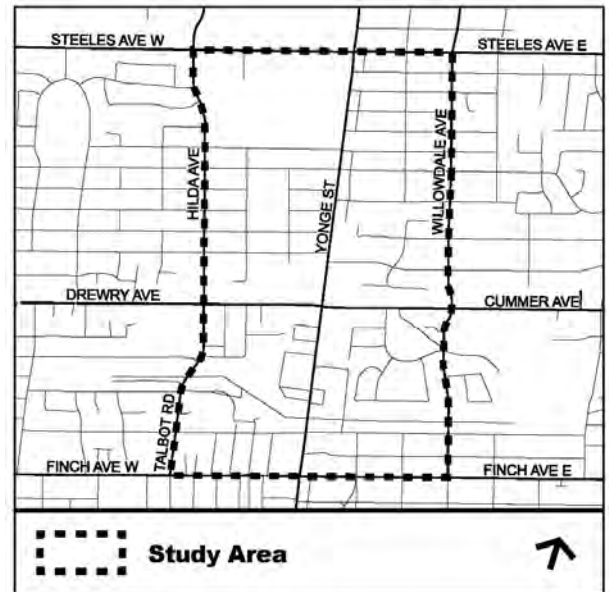

This meeting will be Online and phone-in only. Information and participation instructions provided on the next page.

Background

The City of Toronto has initiated the Yonge Street North Transportation Master Plan (TMP) to support the development of the Yonge Street North Planning Study. The first community meeting for the TMP was held in September 2020. Within the study area, this long term plan will identify and recommend transportation improvements, including road connections, walking and cycling networks, safety enhancements, and travel growth management.

We are planning a virtual Community Consultation Meeting focused on **options for road connections**. Various opportunities for feedback will be provided at the meeting - join us on October 29, 2020 for information on:

- Need and objective for providing additional road links
- Road connection options being considered to support all users
- Next steps for evaluating potential options
