SINCE 1974

SCA Membership 2023

The continued strength of any organization is often measured by its numbers.

More and more, decision makers are asking the question "... *How many people do you represent?*"

The Annual SCA Membership Fee is \$20.00 per family. If you feel as many households do that SCA must continue to be active and strong, renew or take out your Membership now! Membership is effective until the Annual Meeting in the Fall of 2023.

Application for Membership 2023
